

Dear Parents,

Your child is next week's student of the week! We are looking forward to getting to know a little more about this very special person! Please complete this poster with your child's help and return it to school by

_____. We will be hanging it up in our classroom for the week, and your child will have an opportunity to tell us about it. You may include photographs or drawings on the poster. You will receive the poster back once your child's week is completed.

Also, please send your child's favorite book to school on the same date. We will read your child's special book to the class. Again, it will be returned as soon as we have read it.

Thank you in advance!!

The Kinder Prep Team
